Dear Mr. Weisberg,

Thank you for responding to my initial query concerning your publication. I very much appreciate your brief note answering my question in that letter. I would like to order the following works:

Photographic Whitewash	$9.95
Whitewash IV	$7.25
Frame-Up	$12.50
Post Mortem	$12.50

I am sending a check for $42.70 (includes 50¢ for insurance on Whitewash IV.) If you would, I would appreciate it very much if you would autograph these works. Again, I am very greatful for the years of dedicated research you've given to this sad case. I am hoping that somehow the truth will eventually be admitted in public by the establishment that took such pains to cover things up. If you were to recommend one book to read on this subject, outside of your own works, what would it be? I have copies already of your first two Whitewash books as well as your book Oswald in New Orleans. Is there any particular work that gives a good summation of case for those who might not want to do a lot of investigative reading on the case? Lots of people are interested when the subject is discussed but the literature is substantial enough to cause some to shy away from it. Your opinion would be appreciated.

Again, many thanks.

Yours truly,

Joe Martin
